

# Rules for visitors

- I. Keep 1.5 meters distance, both outdoors and in the building.
- II. Stay home if you have any of the following symptoms: a cold, a runny nose, sneezing, a sore throat, a mild cough, an increased temperature.
- III. Stay home if you or someone close to you has a fever and / or a shortness of breath.
- IV. Visiting the exhibition is only possible if you are in the possession of an online reservation with a valid ticket for the day and the specific time.
- V. See <https://impakt.nl/nl/events/2020/tentoonstelling/a-crowded-sky/> for more information about booking a ticket.
- VI. Please arrive on time or up to 15 minutes before the start time - not earlier - to avoid queues. The reservation expires 10 minutes after the start and your right of access may lapse.
- VII. Pay only by pin.
- VIII. Keep your properties with you throughout the exhibition. There will temporarily be no wardrobe.
- IX. Always follow our hygiene measures.
- X. Always follow the instructions of IMPAKT employees.

# Hygiene measures

- I. Wash your hands after contact with places where others have been for at least 20 seconds with soap and water. Then dry your hands thoroughly with a paper towel or blower. Throw away paper in a lockable waste bin.
- II. Also wash your hands before you go out, when you come back home, when you've blown your nose, before dinner and after you've gone to the bathroom.

- III. Cough and sneeze in the inside of your elbow.
- IV. Use tissue paper to blow your nose and then throw it away in a lockable bin, then wash your hands.
- V. Do not shake hands.
- VI. Keep 1.5 meters distance from others.
